## New Years Reception at Henk,s European Deli

Once again this year,s event was a huge success. About 60 members showed up for the traditional "Dutch Oliebollen"

Kars Tamminga and Lammert DeHaan made their best "Oliebollen" ever. Unfortunately our president, Rudy Otto was unable to attend.

However, Kars and Lammert stepped up to the plate and held a little speech.

Lammert also told us all about the history of the "Oliebollen"

Many Thanks go out to Kars and Lammert!

The club also owes a big Thank You to Hubert, Adrian & Hanneke Winnubst plus staff for opening the restaurant for us on a Thursday night.

The "Bitterballen" and cheese trays made bij Henk,s Deli were much appreciated!

It was another successful night for the Holland-America club.
